## **Sanctuary: La Nostra Arca Visit April 2023**

Another of the animal sanctuaries we support is La Nostra Arca, run by Silvia. Tita visited this refuge in the spring to find out what has been happening since we last saw her.

Silvia has rescued lots of animals from the wild, including rabbits, owls, boar, baby deer, foxes and many more. She treats their injuries and if they are unable to return to the wild they can live out their lives at this peaceful haven.

When Tita arrived Silvia was busy saving the lives of 2 hedgehogs, a rare cat and a baby goat who was born blind.

We were very pleased to learn that Silvia has built 5 new pens with the Christmas bonus donated by BFD. We are proud to have this wonderful refuge under our wing and continue to support Silvia and all her animals. Please check out her Facebook and Instagram page for further information on this wonderful sanctuary.
