

Do you have a home for me?

Hello. I am a very friendly and affectionate girl who is looking for a loving home.

I am about six weeks old with a beautiful silver-grey coat. I like cuddles and show my affection with loud purrs.

On my first visit to the vet, I was given worm, flea and ear mite treatment.

If you have a home for me, please contact Jill on +39 334 275 6870/jillholt@btinternet.com.
